

# African Geography Review

---

Directions:

Based on your group assignment (chosen randomly, by cards), split each of your places/ regions/ rivers up between your group. Each group member is responsible for finding a visual and writing a 4-bullet-point informational piece on information of what you are researching.

We will present each of these very briefly, for way of review.

## **Deserts and Regions:**

Group 1:

Group 2:

Sahara Desert

Sub-Saharan Africa

Savanna

Sahel

Kalahari Desert

## **Rivers:**

Group 1:

Group 2:

Nile

Niger

Congo

Zambezi

## **Cities and Countries:**

Group 1:

Group 2:

Morocco

Mali

Aksum

Timbuktu

Great Zimbabwe

Ghana

## **All groups, as a group, will answer 16.1's essential question:**

How did the geography of Africa affect its settlement patterns and commerce?
