

- I hate the way she looks at me
- Mrs. Dewey, my favorite teacher of all times...
- Like you can do anything right
- Haha, you tripped and fell
- I am going to tell you about my summer break.
- That rather is quite interesting
- No, I didn't do the homework
- I think I will approach her quietly, and in the middle of the night
- I can't wait until the weekend
- Who does he think he is?
- I can't believe you did that
- You spelled your words correctly, but I didn't understand your meaning at all
- You are quite ugly
- Your majesty, good morning
- Yes, she is the world's greatest teacher
- If you would just listen, you would gain a great deal of wisdom
- Of course I can climb Mt. Everest in a day.
- That looks spectacular
- I sat alone under the window sill
- One presidential candidate supports banning guns, while another does not
- Sure, like you can climb the monkey bars
- I didn't quite understand why he walked away from me. My heart beat loudly, and then just sank.
- Let me break it down for you bit by bit
- I love your outfit today
- If you cannot hear what we are saying, you are quite stupid
- Each day will continue to get better and better
- When the plane takes off, remember to fasten your seat-belts
- I am used to it by now
- Within my torn heart and soul, my tears cried out for freedom from this despair
- Why did she decide to wear purple shorts?
