

World Map Scavenger Hunt

Directions: Use your iPad and Google to access world maps and atlases. You will have about 30 minutes to find as many of the objects listed below as possible. Pay close attention to whether you are looking for a **country** or **continent**.

You must find and write down:

1. Three **countries** with the letter A appearing three times in their name.
2. The imaginary line that goes around the Earth from east to west.
3. The imaginary line that goes around the Earth from north to south.
4. The biggest **country** in the world.
5. A **country** that starts with a Z.
6. Two **countries** with two words in their names.
7. One **country** with five words in its name.
8. A **country** whose name starts and ends with the same letter.
9. A **country** that is longer north to south than it is east to west.
10. The **continent** with the Rocky Mountains.
11. The **continent** covered in ice.
12. Five **continents** that start and end with the same letter.
13. The names of two **mountain ranges** other than the Rockies.
14. Two **oceans** with the letter I appearing twice in their names.
15. Two **oceans** that start with the letter A.
16. Four **countries** with exactly 4 letters in their name.
17. A **country** that is an island.
18. Two **countries** that share an island.
19. A big **country** with no big rivers.
20. A big **country** with many big rivers.
21. The **continent** that has the Himalaya Mountains.
22. A **country** that is about 1,200 miles from Mexico.
23. 2 **countries** in Asia.
24. 3 **countries** in Africa.
25. 4 **countries** in Europe.

--Bonus Challenges!--

26. A **country** named after a bird.
27. A **country** whose name when broken down makes a complete sentence.
